

mu::ParserBase

```
classDiagram
    class mu::ParserBase
    class mu::Parser
    class mu::ParserInt
    mu::Parser --|> mu::ParserBase
    mu::ParserInt --|> mu::ParserBase
```

A UML class diagram illustrating inheritance. At the top is a box labeled 'mu::ParserBase'. Below it are two boxes, 'mu::Parser' on the left and 'mu::ParserInt' on the right. A horizontal line connects the two bottom boxes, with a vertical line extending upwards from its center to the bottom of the 'mu::ParserBase' box, ending in an arrowhead. This indicates that both 'mu::Parser' and 'mu::ParserInt' inherit from 'mu::ParserBase'.

mu::Parser

mu::ParserInt
